c. Paratus Initiative

Background	Handful of CERT members meeting for recreational shooting. Discovery of additional shared interests and desire to improve. Acceptance of varying access to resources and opportunities.
Mission	Learn and sharpen capabilities that support resilient individuals and grow membership to build a more capable community.  <b>Paratus</b> "at the ready, prepared" <b>Coniunctis Viribus</b> "with connected strength"
How	Provide a communication platform for group members to share resources and foster conversation that enhance the program's mission on an individual level.
Current state	Less than 12 members with 4 topics of interest. Chosen platform is Telegram (iOS, Android, PC).
Near-term plans	Branding, recurring events, membership growth

(7) Walk-On Topics

- a. none
