    - Moulage
    - Victims
    - Transport

# Logistics

- Team Assignments
  - Power Equipment: John Maria
  - ICS, Triage Supplies: John Mascio
  - Go-Bags: Ty Westfall
  - Medical Supplies: Open
- Long Term Goals
  - Load balancing the trailers
  - Creating a storage guide that allows for the quickest setup when on location
  - Documentation how the setup should be done and look
  - Standardizing the monthly maintenance to ensure we maintain readiness of both trailers
- October 04 Maintenance
  - Flash Pan clean up (John Mascio to bring power washer)
  - Return items to storage (Need at least one person with a truck)
    - Burn Pan (Propane tanks and hoses)
    - Eazy-Up
    - Misc. items
  - Sweep out trailers and re strap containers
  - Power equipment Maintenance (Lead by John Maria)
    - Chainsaw PPE inventory
    - Start and run chainsaws
    - Start and run generator
  - Brake Light and tire check of both trailers
